My dad was genuinely the most gentle human. He loved playing guitar, playing pool and carpentry. He was so funny and I'll never forget his laugh, or his eyes. We weren't as close as we should have been and I think we're both felt that way. Regardless he his my dad and I am so proud of him. Love you dad.

Dale liked to tinker around with his collections of stuff that he had at home and that he had at the flea market. He always had the yards mowed for his mother. May they rest in peace.💖🕊️
