

Gary Wayne Roseborough

April 25, 1970 - November 9, 2019

Our beloved Gary Wayne Roseborough, 49, passed from this life early on the morning of Nov. 9, 2019 in Tulsa. OK. Our hearts are broken and we miss him already but we also are grateful that his medical struggles are over.

Gary was born in Tulsa on April 25, 1970 to Joanne Waugh of Tulsa and to Gary Warren Roseborough, who preceded him in death.

He loved his canine companions, Bonnie and Clyde, drag racing, the Green Bay Packers, street outlaw nights with his daughter, scary movies, playing 'diamond in the middle' with Clyde, jam sessions in the car, playing dominoes and going to the creek.

Gary had a generous heart and a constant smile for everyone he met. He was easy going and a bit mischievous.

He met Cyndee Gayle Cato, the love of his life more than 10 years ago. They were partners in all they did and they did it with fun. Cyndee was the ultimate caregiver for Gary this past year. She gave unconditional love and support.

Gary is survived by his wife Cyndee, his mother Joanne, both of Tulsa; his son Gary Wayne Roseborough (Holly Brown) grandchildren Lilly, Cole and Lexton Roseborough; daughter Hillary Roseborough, aka "Precious" to Gary, all of Bradley, IL; son, Brandon Roseborough of Wisconsin; brother, Jerry Roseborough (Jennifer) and nieces Hannah and Heidi, of Bartlesville, OK; sister, Carline Brandenburg and nephew Kaelin Crane, of Catoosa, OK; step siblings, Kelli Points, Becky Ross, and Lee Gregory. He also is survived by his longtime friend Jeff Fortin of Kankakee, IL. and numerous family and friends in Oklahoma and Illinois.

In remembrance of Gary's legacy, there will be a memorial service held on Tuesday November 12, 2019 at 11:00 AM at Serenity Funerals and Crematory Chapel.
