“ My uncle was a good person who loved the Lord. I have fond memories of him, later in his life when he lived in his apartment and we, mom, dad, and myself would go visit.... Spend time with him. He enjoyed those times, and I did too, especially when I would bring my children over. We would eat breakfast, lunch, and even dinner together, just sharing old memories of past family times. Uncle, we love you, and we dearly miss you.
