“ I knew your name was Matt but I knew you better as Tuna. I met Matt aka Tuna from the streets. I took him to church with me a few times. He was one of my favorite ppl out here on the streets. I'm so sorry for what happened to you. I miss you like crazy. Love you much.

“ Matt was such a ray of sunshine. He was constantly making other people smile and strived to always be positive. We spent a lot of time listening to music together. He decided to learn to play my guitar. One day I can home from work and he started playing me a song. It only took him 2 days and he'd picked it up in no time. He never ceased to bring a smile to my face. Everywhere we went he was so nice to everyone and gave people genuine compliments. He had a rare spirit filled with genuine kindness and a huge heart. I will miss him so very dearly.

“ I have many great memories of Matt from his childhood. We always enjoyed when he came over to the house or joined in youth events at church. He always livened things up with his sense of humor! I connected again with Matt not too long ago. He was sincerely pursuing his relationship with the Lord. I'm glad we had that time and I expect we'll meet again someday at the Crystal River that flows from the throne. And that will be even more wonderful than days at Camp Egan. Go with God Matt!

This world will not be the same without you Matt. I will always love you and remember all the fun times in highschool. I hope you are at peace now and that we will meet again soon. XO

You have been a huge motivator and supportive of all creatures and people of this world and you never met a stranger, I remember the parties and fun times we had while growing up. And will continue to carry with me the kindness and love you had in your heart, Please fly high brother. I'm sorry you lost your battle but we still love you and miss you every single day! “ Matthew and I were really good friends in elementary school. I'll never forget how much we made each other laugh eating lunch everyday together in 4th grade. This one time I made him laugh so hard while he was drinking mountain dew (which was his favorite pop at the time) that he spit it out his mouth and even made it come out his nose/ears. Till this day I'll never forget that day!!! RIP MY FRIEND! Sucks that addition takes some of the most beautiful souls!!! I also send my condolences to all his friends and family during this time.
