

Adelheid Eichhaus-Pitzer

July 8, 1930 - December 12, 2018

Adelheid Eichhaus-Pitzer (Heidi) was born on July 8, 1930 and was the oldest daughter out of three girls born to Helene and Stephan Dombrowski (Eichhaus) in Herne, Germany.

Heidi was a single Mom until she married Heinz. She was a devoted loving Mother, a connoisseur of good food, awesome cook, loved fashion and she was very hard working.

After taking an early retirement from the Farbwerke Hoechst AG where she worked many years, she took care of her husband who was battling Alzheimer and Parkinson.

After the death of her husband, she moved to America to live with her daughter Patricia and son-in-law Kenneth. In 2008 her daughter became a US citizen and Heidi applied for her green card. Heidi attended faithfully our monthly German Conversation meetings and enjoyed being a part of the church fellowship group.

Heidi passed peacefully in her sleep on Wednesday morning December 12, 2018 at the age of 88. She will be joining her parents, her husband Heinz Pitzer, her sister Doris K♦ster and her sister Karin Engel in Heaven and many other love ones.

Heidi is lovingly remembered by her daughter Patricia, son-in-law Kenneth, her grandchildren Angelique, Alexander, Jamar, Madelaine, her great-grandchildren Lilyana, Luca and Kai. As well as all remaining relatives in the "Old Country", and all her Friends.
