“ *Ann was a great tennis competitor. She could put away shots that were, in my mind, not returnable with little effort! She was so pleasant on the court. I have always respected her as a teacher, too.*
I also remember her bringing her sons into Dr. Winder's office for their dentist appointments where I worked. They grew up to be nice young men that Ann was very proud of. My sincere condolences to the family.

“ *Ann and I were in school together from the 2nd grade on thru graduatio. She started to Parks, Arkansas elementary school when her family moved from Forrester to Parks. Ann and I had the love of basketball. I played with her from the 9th grade thru graduation. She, Pat Shores and I were a threesoe at Parks and were always a part of the same group of girls who ran around together. I knew Junior in high school and I was so happy for ANn when I found out who she was marrying. She was so smart and always had a smile on her face/ She was proud of her family and I know you all have a large hole in your heart but God will help you thru this. ANn will also be missed by her 1961 graduates that are left becaue whe was always at the reunions. May God bless all of the Van De wiele family with their loss. sandy Neal Erwin*
