“ Ms Anna changed my life I have never met someone with so much love and such an amazing outlook on life. The only person who comes close is Oakie he showed me so much about what being a man means. The best time of my life was building Anna's deck and wheel chair ramp. Oakie god is still so proud of you for every thing you did for your wife I hope I can be half the man you are.

“ So sorry to hear about Anna. She was always so sweet to me. I remember when we all went camping at the lake. What a good time with her and all. Keep the faith, your family is in my prayers.
