“ *My Brother, Tony, lost in a world of pain and sorrow, dealing with numerous problems but deeply loved by me, his only sister, one of four brothers, the one with a heart and soul willing to help all. He became ill, lost his way and sadly passed. I will always hold good memories of him. Love Valerie*

*RIP my dear cousin Tony.
I hold dear memories of you while growing up . Especially when i was
living at nans.
Sad to hear you had some struggles in life, you did not deserve that.
At peace now with people who care for you.
Sleep tight Tony until we meet again.
Love Pat xx*
