“ *The memory Arrlan and I shared till his demise was when I poked fun asking him his name. He would say his name, but to me it sounded like he was saying Ollie instead of Arrlan. He made me laugh for hours, cause no matter how many times I asked he would answer, getting more and more frustrated cause I would laugh and say Ollie. He was more than my nephew, he was my son, my hero, my heart. Words cannot describe the love I have for my Mooney. I miss him so, so deep. Rest well baby, Auntie love you.*
