“ *Dear Sister*

*When I think of you  
it makes me smile  
When I think of your struggle  
it hurts my heart  
When I think of the good times  
it makes me laugh  
When I think of our family  
it gives me strength  
When I think of when I last saw you  
it makes me cry  
When I think of why you left us so soon  
it reminds me why we live life to the fullest  
So, until my time here is complete, I will continue to live life that way  
Rest in Peace Sister  
Love you  
God Bless  
Your Little Bubba*
