“ Chester and Tony & family,

*So saddened to hear of Luevon passing away. i am Glenda (Johnson) Young of Vian, OK. We are cousins, as my dad Perry and aunt Emma were brothers & sisters. I am between Lois & Luevon in age. I have a lot of good memories of visiting in the Rotert home in the summer, making home made ice cream & romping with our cousins! Tony, I remember when you were born. She was so proud of you. Please know that I care, & will always remember her with the fond memories of our childhood days spent together. With love & best wishes.
