“ Betty was always sitting in the bleachers or in the auditorium during Arwen and Carly’s high school and I even remember when the girls were very young, her going to all Arwen’s dance recitals. I thought the first time I met Betty I wanted to be around her. Her smile and warmth she gave was so beautiful. Her love for her grandchildren were evident. I know the families Betty has graced know her as Nana and for me personally I am so blessed to have my daughter feel the warmth of her grandmotherly love. I will always cherish my memories of Betty and thank April and Treven for sharing their mom with so many.
