“ Gosh it's been a long time that I've posted Bill. Oh how I miss you, Jeanie, Lacy, Milan, ma-ma and daddy. I lost Brownlie last July and my life without all of you is just so awful.
You have now lost one of your kids, Billy Ray.
Mills you brother

“ Wow!!! it's been a while since I visited your page. This month it has been 9 years since you left this ole world. So many things have changed and happened since you've been gone. So many family members have joined you in Heaven and so many new little ones have joined us here on earth. Our lives are just not the same losing all of you and it's so hard to continue on and be happy. Oh how we miss you, Jeanie, Lacy, Milan, ma-ma and daddy and all the other's. Love your little sister Martha Lynn.

“ Glad to see that I can still post and say a little something. Been thinking of you on your approaching birthday. Hard to believe you, Jeanie and Lacy all 3 are gone. I don't care what anyone says losing a sibling is a real hard loss.

“ Thinking of you today with awful strong thoughts, there's a reason for it that I can't release, but I know why, and you would probably tell me to mind my own business. Miss you Bill.

“ You are so right Martha ... he is no longer trapped inside that body and he is no longer in pain. I can visualize him walking and talking with grandma, Aunt Carole and Kevin ... and he is so happy now ... sure felt him looking down on me on Friday (watching over his little girl. Glad to know that he is in my corner.

“ The only comfort that I am able to receive over the loss of my brother is knowing there is no more pain, and that your able to get up and walk and talk and no longer trapped in your body. To know that ma-ma and Jeanie were there to meet you and your not alone. Gonna miss all the things about you that made you who you were. ;(
