“Bobbie and I worked together for 10+ years. She was a wonderful woman and friend. She was funny and sassy always giving out smiles. My kiddos loved her as a Nana. She loved with her whole heart. Loved her family dearly. One thing she enjoyed was decorating for Christmas. One year she bought a lifesize dancing/singing Santa. It was so funny. I remember bringing my kiddos over for Christmas one year and she made it work. It scared Eli so bad that she would take it down before he came. It was hilarious. She was the BEST Christmas cookie maker of all time. She could bake like no other and honored me and my husband by making our wedding cake. And man, it was the best ever. She knew exactly what she was doing in that kitchen. She loved her plants but never could keep one for long. We would laugh so hard when one would begin to wilt. She loved to sit outside in the sun. She was the face many saw when they started their day when she worked at Larry's Convenience Store and enjoyed that job more than any other. I remember she would get after the ole farmers who would stop by and hang out drinking up all her coffee in the mornings, saying Don't you have something better to do. She may have shooed them but she loved it all at the same time. Regulars would come in and give her hell, teasing, but she would give right back with a big smile on her face. I'll miss her smiling face and her heart. She's with Jesus and 'Big' Cliff living happy and free.
