“ I want to thank every one of you that attended, brought food, donated & said such kind words @ the “Celebration of Life” on Saturday for my sweet Bobby. He was surly there, if only in Spirit, and having a grand ole time!! Dixie’s Robbie is a wonderful, kindhearted man who promised my Bobby that he would watch out for me when Bobby left us to be with the Lord. Robbie has kept his promise many times over and I know Bobby is pleased with his choice here in Tulsa. TexasTony is also one of Bobby’s choices 2 look after me which he does well from afar. My car certainly appreciates his TLC and & he probably will do the same for his new purchase - Bobby’s ole truck.

Again ‘thank you’ to all, Peggy

“ I will miss you buddy. I remember meeting you for the first time in 1995. I had just come from the doctors and wanted to have a drink. I was new to the neighborhood and saw that twenty first street station was open so I stopped in. I was on one end and you the other, the only two in the bar early afternoon. you heard me talk and said your a yankee. I answered back and said I can tell your not. you laughed and said im a Georgia Peach. you moved down we bought each other drinks. its funny at that moment we became fast friends. are little gang started. me and you jeff, Gerald, dave ,mike, Jason, brett and jack just to name a few. there were many more but I would be here all day listing them. you were every ones favorite. being from out of town I felt welcomed. I will see you again have a bar stool open for me.

“ I'd give anything to wake up at six in the morning and find you and Gerald drinking on the back patio, waiting for breakfast. You were, above all else, a "Good Soul". I count myself so fortunate to have known and loved you. Your sense of humor and generosity could not be matched and never will. You were a "Wonder" Bob Holland and I'll miss you till I join you.

I'll set a place for you Thanksgiving just to show you I remember...

Love

“ Peggy, I'm so sorry for your loss. Surround yourself with those who love you. Take life one day at a time. You're a strong level headed lady. Don't hesitate to lean on those who care for you. I'm so sorry Bobby is gone.

“ Bob, I was so blessed to get to spend time with you Saturday. I'm sad our previous efforts to connect never came through. I had so much to share. I've known you most of my life and Mike was so very fond of you. You are in some of my most cherished memories. Nothing will change that. I am blessed you were a part of my life. Give Laura a big hug for me! I miss her everyday! As I will you!

*Love Always,

“ *Camping with Bob was a blast but could end up in a visit to the ER. Two days, supposedly fishing, but no lines were thrown. Drinking beer during the day and waking up to crown and coffee in the morning. Somehow everyone else was hiding drinking water. Now I know ER visits cost a lot of money and hydration is very important. Even though water rusts your pipes.*

“ *Bobby I know that we didn't always agree with each other about things and I wish so much that we could have made amends.. I guess it just wasn't meant to be but I hope that you rest in peace knowing that I have always loved you and I still love you and will miss you very very much. Your brother.... Charles*

“ This is from an article you sent to me in 1998. Brothers and sisters are quilt blocks, with different shapes, different colors, different in ways we don't even see. But we are linked together with unbreakable, gold thread that stretches to meet the need. This thread holds because it is love
Just remember I will always love you and we will all be together again someday soon.
