“ Hey grandpa, I know you cant see this, but I miss you, I miss when we would watch and talk about wrestling together... You squeezing oranges for some homemade orange juice, teaching me how to mow and do things a man should know... Its been a rough 6 years, I'm 18 now, found me a blessing of a woman who had given me a family, you would love her. She is smart, kind, amazing all around! I miss you Grandpa, wish you were here with me... I love you forever and always!!
