“ *Bonnie and I have been friends for about 48 years. Terry and my husband, Larry worked in Law Enforcement together and that is how we met. We had kept in touch through the years and in the 1990's we started getting together regularly, when they were living in Lyons, KS. We had some wonderful times together. Terry and Larry would laugh at us because we would get so silly. We became very close in these times. I will miss my dearest friend very much. R. I. P. MY FRIEND. LOVE YOU!!!!*
