

## Brian Dale Copeland

March 1, 1968 - February 26, 2022

We are gathered here today to remember Brian Copeland. Not to mourn. But to honor and reflect on his life. Brian wouldn't want to be mourned. He would rather you remember the good things.

Brian Dale Copeland was born March 1, 1968, in Tulsa, Oklahoma, the middle child of Alvin Copeland and Shirley Copeland.

Brian attended the Sperry School system from elementary through high school, graduating in 1986. Brian knew early on his passion was to help others and he pursued that goal throughout his career, getting his degree in college that allowed him to pursue social work. Whether it was through the time he worked as a social worker through his time as a pawnbroker, Brian never forgot his passion.

Unfortunately, Brian's health derailed his career and made pursuing his goal of helping others unachievable. These health deteriorations ultimately took Brian's life on February 26, 2022 and is the reason we are here today.

But even though his career derailed, Brian was always there for his mother. He spent the last few years of his life making sure she wasn't alone. Brian spent many nights watching his mother's favorite TV shows, as they tried to outduel each other in predicting outcomes or endings. These are the times that will remain closest to his mother, as the last two years of Covid, and limitations on going out limited social gatherings outside of the house.

While it's tragic we lost him too soon, he does leave behind a lifetime of memories we can celebrate. This is what he would have wanted.

Brian is survived by his mother, Shirley Copeland, brother Bill Copeland and his wife Lisa, sister Dawn Miller and her husband Donnie, and nephew Kyle Miller and niece Haylie Miller.

Brian is preceded in death by his father Alvin Copeland.

Memorial Service will be 11:00am Thursday March 10, 2022 at Serenity Funerals and Cremation Chapel.
