“ I was here the day you came into this world. I was one of the first to hold you. You was such a caring young man. I will miss you forever.

“ Lord Jesus hold my son in your arms until I can hold him in mine again. Caleb, you are my life's blessing. You were kind, smart, loving, funny, and everything good a person can be. Life without your sweet spirit near me will never be right again. I will miss you with a devastating yearning until we meet again in heaven. It's torture that I can't check on you and hear your voice. You will be missed more than words could ever express. I love you sonshine

Oh my calebl don't know where to start. You were the only birth that I ever experienced. It was such a blessing to see you coming into this world. I spent the first several weeks of your life with you, and every bit of my soul connected with you and loved you. You would hold my finger with all the might you had. ISO wish we would have been closer in life.

So I would have got to unknown you on a deeper level as you grew. You will forever be a part of me and I miss you so very much.
