Dear Bob, Annette, Elaine, Robby, Tommy, and Kelly,

It is with a sense of profound sadness that I've learned of the passing of Carmen, "Cambu" as we all affectionately called her. I have not seen each other for a very, very long time. You were never forgotten.

My late mom Lillian and Carmen were First Cousins and of course, Cambu was my First Cousin Once Removed. As a relative and a Second Cousin to each of you, I share your loss. Your mom was beautiful on the outside, but even more so from the inside. She had that gentle spirit about her. She radiated warmth and love to all regardless. I recall her enthusiasm and joy whenever April 24th came around. It just so happened that Robby and I share the same birthday of the month.

Carmen was a woman of deep faith. She trusted and loved The Lord every minute of her time here in this life. She never wavered or doubted Him. For believers, we know for sure that Carmen is now enjoying eternal peace and happiness in the embrace of Jesus.

He promised in John 14:3, "Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." Dearest Carmen has now passed over into His promised vow.

Carmen has been called forth to also be reunited with her dearly departed parents, Paula and Pedro. She is in the company of her grandparents, siblings, and cousins. Just imagine, the joy she must be feeling at this very moment to see them all again. I am sure she was also sad to leave you all behind. But remember, she will be with

you EVERY day of your lives until you meet again. Carmen will watch over and pray for you and all of us at the feet of The Lord Himself.

Eternal Rest Dear Lord Grant Unto Carmen Aida and May Your Perpetual Light Shine Upon Her Now and Forever. May The Lord's Peace surround you each during this difficult time and in the years to come. With much love, your cousin.....Rafy

Jesus said to her, "I am the resurrection and the life. The one who believes in me will live, even though they die; and whoever lives by believing in me will never die. John 11:25-26
