“ Oh Carol. Just found out you passed. We haven't seen each other in years but felt as if we did because of our conversations. So sorry Richard. I will always remember her laugh. If anyone wants to tell me what happened I'd appreciate it. [debbieanderson@cox.net](mailto:debbieanderson@cox.net) ”

“ I worked with Carol at Will Rogers. Carol was one of the sweetest and kindest people I had the pleasure of working with. She was so caring and loved working with her kids. I just want the family to know you are all in my prayers. If there is anything I can do for you please don't hesitate to call. ”

“ So sad you left us but God took a good angel. R.I.P. my sister, I will love you forever. You were so generous and kind hearted to everyone, you called everyone your friend. You will be missed by all that knew you. You are better off then the rest of us walking the streets of God and having your place at his table.
