“ *We square danced with Carol some years ago and found her to be full of life! I remember going camping with a group of dancers with her. She was not afraid of anything. I believe she was driving a truck and pulling a trailer! She and some other square dance friends hosted my bridal shower in 2003. I am sorry for your loss and sorry that we didn't keep up with her any better. I pray for comfort for your family. Elaine and Don Cox*

“ Mom, you will be missed more than you know. This was an incredibly strong, tough and kind woman "Cowgirl" and mother. She gave me every chance to be the man I am today and I am so lucky I had her wisdom and strength guiding throughout my life. She is the reason I found the love of my life and she treated her like a daughter. She was my role model, conscience, moral compass, my favorite cowgirl, but most of all my mother. I miss you mom!!!!

“ Carol was an incredible woman. She was my mother-in-law, but so, so much more. She was my 2nd mother. She was strong, she was kind. She was tough as nails but could be soft and gentle when she needed to be. She was my idol, a horsewoman and gave me some of the best advice I have ever received. And she gave me her son, the love of my life. I will miss her forever.
