“*Rosie was a beautiful woman on Earth and will bring many smiles and laughter in Heaven. I was privileged to know her and proud to be her friend. Her love for her family and friends, her country and most importantly, her Lord, sums up this beautiful lady. Oh...and Elvis too. Love you Rosie.*

“*What a smile Rosie always had. She was so much fun in high school and I know her family will miss her energy and personality. We had good times in Accounting and Secretarial Skills and I was glad to see she went on to use those skills as I did. My sympathy to the family.*
