“ Chuck was like a brother and father to many people over the years. He is truly missed by all who knew him. He was able to make a person feel good even when the going was tough, and helped out those who were in need. As others have mentioned, he was the best Santa ever. The great times he shared with us will continue to bring happy memories forever.

“ I served with Chuck in the Army and worked with him at Martin Marietta. We shared an apartment together for a few years in the mid 80's. I went out on a field assignment for a couple of years and when I came back he had moved on so we lost track of each other. He was one of my best friends and reading all the other comments I can see he touched many more lives by being the friend that he was to everyone he met. I have missed you Bro and now I will miss you more knowing you have moved on for the last time.

*My heartfelt condolences to all the people he touched as I know everyone of you will miss him.*

“ I served with SSGT Cravens in Schwaebisch Gmuend Germany in the early 1980's.  
Of the hundreds of soldiers I met during my 4 years in the Army - Chuck is without a doubt one of the most memorable characters I ever met - and I mean that in a 100% respect and admiration way. We all respected Chuck as a top NCO, as a guy you can take to the bank with honesty and integrity, and as a guy you never had a bad day being around and could make you smile in any circumstance! Chuck taught me that a 'Motorcycle-Hell's angel" kind of guy can be one of the finest people and friends one will find. And such a memorable character !  
Godspeed Sgt Cravens - I am sure you are riding a Moto-Guzzi right now at high altitude - I can hear it ! And Pershing Sir!

He was a gentle giant that would give you the shirt off his back if you were in need. He will be missed.

“ Praying for you and your family at this time. I will forever remember Chuck and his amazing wonderful dry sense of humor while working together at Xeta. He was the only Santa that my grandsons ever knew and loved. I am sad we will not have Chuck here with us, but I am rejoicing that there are no wheelchairs in Heaven where he can dance on streets of gold!  
Sending hugs to you all

“ there are so many things I will never forget... a kind man with a cheesy mustache.. the first Santa Claus either of my children ever knew... I remember when Trent would come into the office... he always wanted to go say Hi to Santa... all the jokes we played on each other... your Arsenio Hall moment at my wedding ... you were amazing man... we love you and miss you.. Rest well my friend...
