“ My brother was a ying-yang in life. Sometimes he was everything you wanted a person. Kind, helpful and someone who made you smile when you needed it the most. Other times you know if you knew him. But today we remember him as brother, friend and a child of God. Let him rest in peace for he will be looking on us with joy awaiting for the day we reunite. Thankful to all who knew him and still continue to appreciate him.

Your brother,
