“ *My Dear Miss Cindy, we sure shared some very personal, intense times of learning girl honey. Thank you so much for your insight and guidance on so many things, most importantly, the power of forgiveness. You'll never be forgotten by me. And ta know what. I don't think for one moment you have to do any of it again. You March forward sweetie and I know your light is enough to help brighten the pathway of my journey. I know because it aheady has in many treacherous spots. See ya soon love!!!*
