### Claudia R Muck

Claudia Muck, on the evening of December 12, 2016, Claudia went to be with the Lord after a long, hard battle with metastatic breast cancer. Claudia grew up in Harvard, Massachusetts and then joined the U.S. Navy after high school where she met her soon to be husband Bill Warren. They eventually relocated to the Tulsa, Oklahoma area where she remained for nearly 50 years. Claudia remarried later in life to Corky Muck. She retired some years ago after a career in accounting, her last twenty years were with the T.D. Williamson Corporation of Tulsa. Claudia was devoted to her church and lived to serve. She enjoyed decorating the church for the holidays and volunteering her time at the pumpkin patch the church held every October. Her favorite color was purple, and, man, did she wear it well! She paired it with the fanciest jewels she had no matter where she went. She was a very talented seamstress and enjoyed all the latest sewing machines. You can be sure that if she attended an event at your home, she always showed up with a handmade sewing project for a hostess gift. She was devoted to her sons, her grandchildren and great-grandchildren. Claudia is survived by two sons - Michael Warren of Sapulpa and David Warren of Bixby OK, as well as six grandchildren ,Dustin Light,Stephanie Wood,JerriLance,BlakeWarren,Nicholas Warren and Annika Warren, and three great-grandchildren Reece, Henley and Liam all of the Tulsa area. She was special to us and we will miss her, but we are thankful that she will feel no more pain. A memorial service to honor the life of Claudia R Muck

is planned for Tuesday December 20, 2016 at the Southern Hills United Methodist Church 6160 S. Lewis Ave, Tulsa, OK. beginning at 1:00 pm with Pastor Tom Mcelory officiating.
