“ *Dear Copeland Family,*

I pray that God will comfort each of you in your time of loss.

I met CW briefly when I was 14, for the first time that I can recall. I recently reached out to him and had several phone conversations with him as well as a beautiful letter he sent me telling me about each of you.

Prayers to each of you.

“ *My condolences to the Copeland family in the loss of their loved one. Just recently, within the last six months, Cletus reached out to me. It was a blessing. I am now 52 years old and the last memory I have of him was when I met him for the first time when I was 16 years old and that was the last. Unfortunately I was unable to get to know him as a daughter should know her father. I know he is in a better place now and may he rest in peace.*

Cynthia (Cindy) Faye Wood (Copeland).
