“ Sure do miss you, Conrad! I think about you often

Jeff Jones - October 01, 2024 at 08:40 AM

“ I did not know Conrad Miller. In fact I live all away in New Jersey, and only know of Conrad because I received a donation of \$100 to the organization that I chair "Haiti Hope House," in his memory from Joe Adwon of Adwon Realty, and he asked me to notify the family. Not knowing how to contact the family to share with them this generous act, in his memory, I turned to Google, and I am glad I did. Reading the tributes on the wall, I was quite moved, and feel as if I had known him.

I wish to express my sincere condolences to the family. May you find strength and comfort in the knowledge that many, including myself are praying for you.

May his soul rest in peace.

Thank you so much. Conrad was a very generous, giving person. Actually, we sent over \$400 in donations to Hope House Haiti in his memory. God's blessings to you. Conrad loved the work you are doing there. God bless, Linda Miller (wife)

“ Conrad was a compassionate, kind, loving, humble, and caring person. He was a wonderful husband, father, grandfather and a friend. He always had the smily face. He loved to entertain the people cooking and serving them along with his wife. He enjoyed gardening. He was a hardworking person and enjoyed helping the people in need.

No one thought that he would depart so soon. I guess his mission on this earth is over and he is enjoying in the presence of the Lord. May the Lord fill up the gap granting the strength and pour out his peace and comfort upon his wife and the family. He is dearly missed.

We had a long conversation with your dear friend, Allen last night. He recalled your solid influence and friendship when he came here to go to Bible school at age 18 and you both attended. You and he often talked over coffee and donuts. You truly loved each other and still do. He went on to become a full-time missionary and spoke of your words to him still ringing in his ears, "Allen, you're a blessing!" So glad to talk to him and reminisce.

“ We had a beautiful service to Celebrate Conrad's life on Thursday. There were 37 friends and family on ZOOM in addition to those who attended. Conrad's family is so grateful for everyone who prayed for us during his short illness, and for those who gave in so many ways, both to him and to me. We are forever thankful and experienced others bearing our burdens with us. Conad gave us all the gift of time with him on Nov. 2nd.

“ Conrad is a good friend. I say is because his essence remains although he is physically lifted up to be with our Father. He has been my friend for 1.5 decades. He was an encourager as well as an example to our daily life. We are richer because he has been part of our life. Peace and blessings be with each of us. Amen.

During the spring and summer, they brought food boxes. The folks love our food and especially the children. Last night, Mr. Miller passed away from Covid. He was a wonderful friend, not just to me, but to thousands— even if you never met him. Please pray for his wife, Ms. Lucille, and their children and grandchildren.

Lucille Abbott - November 09, 2020 at 01:08 PM

LM

Thank you so much, Lucille. We love you! Conrad especially delighted in bringing food to you for distribution, partly because he knew the children would be fed. He was such an encourager and spread light wherever he went. I look forward to seeing you again. Can you make it to his Celebration of Life on Thursday; 11 am Victory Church, first-floor chapel.

“ We are so sad to say goodbye to Conrad here on earth. Our hearts and prayers are with the family. John and I will never forget the perpetual contagious smile of Conrad, and his warm bear hugs! Conrad and Linda always welcomed young people into their home, and made you feel like you were part of their big loving family! Conrad is truly a gift from heaven and will be sorely missed! We love you all!

Our dear precious friends. We go a long way back and have so many wonderful memories and some quite unusual adventures of faith! Looking through old photos I came across a few of you both as teens-beauties. Conrad loved you dearly. I love you dearly. We always will. Conrad controlled his last days on earth and gave us the gift of being with him for extended times on Monday. He gave last instructions and blessings for each of our children and me. God's grace was abundant and real. All the grandchildren face timed him and Tuesday we all faced timed; sang songs, Melissa and Chris read scriptures and we all told him how much we loved him and prayed for him. We were face timing for at least a half-hour or more. About an hour later he flew to Jesus and met all the people he loved and those he influenced in his life. I hope you can ZOOM his service, it is going to be wonderful and we have a recent video clip of him testifying about God. Please join us. You can text Chris or email him for info. Just let me know. Love always,
Conrad and Linda

Sungsoo, Conrad enjoyed you so much and all your friends. He's in heaven, enjoying all its benefits. We had lots of time with him on his last day here and he blessed us and gave us instructions. He was 100% mentally and spiritually alive. We are so grateful for God's grace and mercy through it all. I hope you are well and moving along in life's journey. So glad to be a little part of your lives. God's blessings.

“ *I first met Conrad on Long Island, N.Y. when he and Linda invited me to teach in the Bible College that they founded. Over the years, I have known Conrad to be an exemplary Christian gentleman, a man always ready to share Jesus with others and to help those in need. Conrad always spoke well of others and was beloved by his family and friends. My heart goes out to Linda, but I know that she is comforted by the certain knowledge that He is safely home with Jesus and will see Conrad in glory.*

“ I can not even begin to put into words what you meant to me Dad. Our relationship just kept getting better and better when we were together. Our time was sacred. Who knew they would be so numbered? We certainly weren't done creating our memories. Dad, you are the strongest man I've ever met. Your heart was so incredibly big. I always looked forward to our adventures together! You loved so deeply and gave your all to your family. I will forever cherish our times together. Thank you for being you. You are exactly who I needed all the time. Forever your little girl ♡

I was blessed to work with Conrad for a minute, we painted together. He was so inspirational and so kind. He always made the day better. It was so obvious how much God and family meant to him. He would bring extra Gatorade for me and was so forgiving if I messed up. Conrad I will never forget you're positive outlook to life, most of all I will forever hold these memories. You were the best with encouragement during some hard times for me. You will never be forgotten. God bless the family.

To Marilyn and Joe, Thank you for your kind words. Conrad or Red was a giving and loving person. We've been married for 55 years and I'm grateful for the time, but certainly, we were looking forward to many, many more years together. We appreciate your words and thoughts.
