“ God has picked the beautiful rose, his loving child with a heart of gold. You always made us smile when you gave the greatest hugs, and you wrap us with your love that was very snug. We will always celebrate you in all of our hearts, for all the memories of your life from the very start. Rest dear Damian and you know you were loved, for someday we will all see you above. We Love You..... Gradpa Melvin Monday Sr, Uncle Melvin Jr, Kenneth, and Steve, Aunt Sharon and Deborah
