“ I have so many memories of you Mom.

*I remember when we went on a huge camping trip with the Hookey family and it poured and stormed so hard and you brought Becca and I into the camper from the tent and we were soaked.*

*I remember you teaching me how to ride a bike when you lived on the pig farm in Turley.*

*I remember you making so many amazing meals and they tasted so good.*

*I remember how kind and loving you were to me despite only being a “step” mom.*

*I remember the first time you held my babies.*

*I remember spending countless summers with you.*

*Most of all I remember how much you loved me all this time.*

*Thank you for everything you have done for me, all the love you have shared and all the fun times we had.*
