“ I got the pleasure of meeting and working beside David Cook at Americas Auto Auction in Tulsa Oklahoma. He was the van driver when I started 5 years ago. On my first day we went on a run in Bixby, Okla. We didnt know each other previously but carried on conversations like we have known each other for years. He showed me the ropes and what not to do! I will cherish the memories of working with him and being his friend for eternity. He was my #1 fan and I want to thank him for everything he taught me and for always being there! He will be deeply missed and never forgotten! I will be praying for his wife and family through these tough times!

Sincerely,
Megan Barker
