“ Hello there friends and family of David Jacobs

My Mum Eileen Morgan nee Dacey was Lily Jacob's best friend in Newport South Wales UK, They worked together in Lovells I have some photos of them together and some that Lily took of me when she came over the first time. She and my mum used to meet up whenever she came home and she was Auntie Lily to me but I never met David. After my mum died Lily and I used to correspond and even phone once or twice a year.

*My condolences to the family especially Virginia as my Mum met her when she came to Newport.
Michele (known to Lily and David as Micky)*

“ Lael and I have fond memories of Dave and the Tulsa Canoe & Camping Club. He was kind, quick to laugh, and always ready with an amusing story. He was an expert paddler and knew how to manuver a canoe in rapid waters. - Ron Engstrom, Bradenton, Florida

“ I have not been able to see much of Dave lately, but back in the days he was actively boating, I went on many trips with him. Dave was just a hoot to boat with and around the camp fire his stories were the best. Dave may be gone from this earth, but rest assured his many boating buddies will set around campfires for as long as they are here, sharing their stories of time spent with Dave. I am thankful that I got to share time with this man who made a friend of every one he met.

“ I am sad to read of the loss of Mr. Jacobs. I was one of his occupational therapy assistants at Sr. Suites this spring. Mr. Jacobs was ornery but I liked that and his feistyness. So sorry for your loss. I pray for peace for the family and friends who's lives he touched. Sincerely, Sheila Arnold Oliver
