David Martin Frazier

March 20, 1951 – April 26, 2026

David Martin Frazier, 75, passed away on April 26, 2026.

David lived a life defined by love, resilience, and a deep commitment to family. He was a son, an uncle, a husband, a devoted father, and a proud grandfather and great-grandfather. He proudly served his country in the United States Navy and later worked as a truck driver and mechanic, providing for those he loved.

David had an extraordinary heart for children. He opened both his home and his life to many over the years, fostering and adopting children who needed safety, protection, and love. He became a father not only to his own children, but to many who were blessed to call him Dad. He had a way of making a child feel seen and heard, and he gave that gift freely.

Those who knew David understand he was not a perfect man, but he was a caring one. His life was marked by lessons of love, forgiveness, and perseverance. Through both the good times and the difficult ones, he showed what it meant to keep loving and to keep showing up.

He is survived by his daughter, Lisa Phillips and her husband Darren Phillips; his son, Michael Frazier and his wife Angela Frazier; his brother, Harold Frazier and his wife Beverly; five grandchildren; thirteen great-grandchildren; and a host of nieces and nephews.

He was preceded in death by his father, Harold Frazier; his mother, Frances Frazier; his sister, Mary Hughes; and his brothers, Wilbur Frazier and Gary Frazier.

Celebration of life arrangements are pending.

David will be deeply missed and forever cherished by all who knew and loved him.

To his daughter, he was her first hero, a title that time, distance, and life could never take away.
