“ When I was born, he was 13. So by the time I was old enough to really be around him or know him, he was already out of the house! I have so many memories. I can't put them all on here. We were on a worship team together at our brother-in-law, Larry's church. He helped me in so many ways musically. I could always go to him for questions about anything! Not just music. He was so so smart and even my parents said, he was reading a newspaper at two years old! I will share more at the Life ceremony. I miss playing different music, venues, and playing CR music with him and so many other things! I especially miss his humor and all those puns he would throw in! When somebody would say something, it would get all quiet, and I just knew his wheels were spinning, and he was getting ready to say something! And I would look at him and roll my eyes, and we would all laugh! I'm going to miss getting a phone call from him and that special ringtone just for him. And he would say, wanna go to drillers game? Or, there's a concert coming wanna go? Or do you wanna play some music here? All kinds of stuff we did together! He went to every family gathering we had out here. It didn't matter whose birthday it was or what the event was, he made sure he went! And if he didn't go, it's because he was in San Diego or at a CR summit or something else. I will miss you so much, Jonesy. Even if you were the grammar police with me! I always loved you! And I always will! I'll see you soon enough! Love you! 🥺❤️

“ Jonesy was such a fun cousin. He was the son of my Mom's younger brother David. When I was younger & as a teenager we would all go to Balboa Park in SanDiego or La Jolla Cove for family get-togethers! Or we would gather at Uncle Dave's & Aunt Izzy's home for a fabulous Mexican feast & enjoyable family gatherings!!
