“ My husband David Lyles who i was married to for a little over 6 years. David lwft behind two biological children and two step chimdren thatbhe will dearly be missed by on a daily basis. Understanding what a person goes through isnt known sometimes until they are gone. There aint 1 day or even half a day that goes by that i remember ou times together. From movong to Tulsa and getting lost to holidays and just a laugh in the car. I will really miss the personality he carried which was the best in the workd. He wasnt perfect but a good man at heart and a freat farher to all children. I wish i couldve said goodbye. Eing that it happened ao quick . to my love always we miss you and always will. He was oerson that couldnt be forgotten.touching many hearts and laughter now gone we miss you

“ When i met David for the first time i knew right off he was a great guy and turned out to be a really good friend. I hired David to work for me and he was one of the hardest employee's and cared so much about working with me. I regret now not taking him fishing or hanging with him outside of work. His passing has taught me to value the people around me alot more and to be there for people more. I really enjoyed our friendship/brotherhood he was one of a kind and will be truly missed by me and the rest of the guys here. Rest in peace buddy
