

## Deborah Lynn Roe

November 15, 1959 - September 20, 2022

Deborah "Debbie" Lynn (Davis) Roe was born on November 15, 1959, in Norman, OK to Donald D. and Shirley M. (Spencer) Davis, and passed away at home in Sands Springs, OK on September 20, 2022, at the age of 62.

She was preceded in death by her grandparents and parents and is survived by her husband, Steven A. Roe; her children, Amber M. Whisenhunt and partner Rhonda V. Noland, Jenny L. Whisenhunt, and Steven N. Roe; and grandson, Jonas A. Roe, all of Sand Springs, OK; an aunt and uncle, many cousins, and so many friends.

Debbie loved her people, she loved them hard, and she loved them often. She had many interests throughout her life, and she spent her time making the world more beautiful. She was a dancer until she married and had children. She always had extra children in her home, and she loved and treated them as her own. She was a seamstress by trade for many years, well-known as the "bunny lady," and her originally designed Victorian-dressed bunnies still adorn homes across the country. She gave up bunny making, but she never stopped sewing, whether it be quilts, hems, or jacket patches. She loved to garden, both to grow beautiful flowers and her vegetable garden. She was a professional shopper and bought to give to others. She loved all things Disney and made several trips with family in recent years to both Disney World and Disneyland.

A Celebration of Life will be held 11:00am Saturday, October 22, 2022, at Serenity Funerals and Crematory in Tulsa, OK.

“ *I will never forget when Debbie came to meet my newborn, and I was struggling to get the hang of breastfeeding. She took my daughter's head in one hand, my breast in the other, and stuck 'em together. I don't recall a single time that your mom failed to crack me up. She was a good egg.*
