“ The spring of 1972 my family moved to 1807 Fornfelt Scott City from the corner of 11th & Olive Illmo. Both towns went to the same school I-SC. We were in the same class, the class of '78. Debbie live in the 1700 block we could see eachother's house. It was the start of a lofe long BEST FRIENDSHIP. I would do anuthing in my power for her, I loved her deply, she was part of my heart. She will live in my heart as longg as there is breath in my body. I will honor and cherish the memories I have of her.

Each of you children and grandchildren and great grandchildren know she was so proud of her family. You are all a part of her. Cherish each other as that is all you have left of her.

Mike and Alex father of her children. Remember the good times, the thing that about her that caught her eye. The children you each share is what you have left of her life is to short to hold on to the negitave.
