“ Rest in heavenly peace, Dennis. I wish I would have been able to say goodbye to you before you passed away, but the thieving psychopath Cathy wanted to keep you isolated from the people who truly loved you. I love you and thank you for being such a great brother in law to me.

“ *This is my dad he was the greatest man he was good to everyone, he never met a stranger..I love him more than words could ever express he loved working on cars spending time with family my mom Katie who he is now in heaven with ..I love my daddy so much ..I didn't get to be with him because the woman who was around lied to me and has stolen all his things things that belonged to me and his grandchildren. I want to see my dad one last time please pray for me my name is Kristin King and my daddy was and will always be the best..I know if you would've been blessed enough to meet him you'd would've loved him too...he loved crushing peoria,racing,building moters,everything and anything to do with cars..He was the longest living kidney transplant recipient..39yrs..my dad will greatly be missed by all 20 grandchildren and 10 great-grandchildren and all 5 of us kids..he loved to sing and sounded wonderful he was so passionate about everything. He was honest loving and one of a kind Dennis King D.K my daddy is my life and always in my and everyone's heart!!!*
