“ *Dennis and I were close friends. Both veterans. He was a chopper Gunner in Vietnam, also a p.o.w. He was in many combat situations. He was a very good bull rider (NHRA) He brought me to PTSD therapy in his last years. We rode horses. He taught me a lot about horses. He was always up to something you never sat on his ass. He was funny he had a good spirit he kept coming already high among veterans you spoke to each of his daily say hello he talked to us and treat us like we were people.*
