“ I have so many yet so few memories of you. I think some of my favorite one's was when we were super young. That memory will be for us no one needs to know how big of heathens we were. Lol. When I was 21, I came for a visit and we went fishing. I learned that fishing was not for me. You talked me out of letting everyone else's fish go. I'm sure they would have been mad as heck. Thank you for talking me out of it. During that trip, and later when you came to briefly stay in California, I learned that you can dance like nobody's business. If I had your booty shaking skills, I'd be rich. 😊 Rest in Paradise, Wone. 🥰
