“ Michael and I are thinking of you all at this time of loss. When we use to get together, it was always a fun time. Doil could keep you in stitches when he told a story... goodness he was funny! I remember one story about a cat that jumped out of the dumpster, of course, there was a lot more to the story...but Doil telling us how it scared him and he ran to get back in the apartment was hysterical! Also, remember, our little guy, for some reason would not go near Doil...then one day out of the blue, Doil was working on the water spicket on the side of the house and our little guy walked across the yard, up to Doil and started talking to him. The smile on Doil's face was priceless. Good times!
