“ I called her Mommacita, She was a very special lady in my life. I will always cherish the private talks we had the stories she told the lectures and yes even the scoldings She was a God fearing woman who loved unconditionally . May you forever rest in peace Mommacita

My mother was in serious physical pain for a very long time, I'm sad and miss her dearly and will never get over losing her but I know she is no longer in pain and is happier being in heaven than she ever was here on earth. God bless you mama rest in peace
