“ Mom, As you know Daddy came to be with you a few days ago. I love and miss you both so much. Memorial Day, sis and I will spread your mixed ashes with all the family resting places.

“ It's almost mom's birthday so I thought I would share a memory. the pearl necklace that she's wearing in the picture is one that I gave her for her birthday last year she was so excited. Should always wanted a pearl necklace so I was glad I was able to give her one. It was one that I won off of a radio station and couldn't wear it so it couldn't have been any more perfect. I love and miss bump everyday. She was such an intelligent, kind-hearted, beautiful lady. I'm so glad God placed me as her daughter. Sometimes I hear people say it gets easier but I don't see how that could be possible. Please share special memories that you have a mom either here or on her Facebook. I'm in the process of getting her Facebook turned into a memorial but there's some paperwork that I have to get sent in.
