“ So sad to hear of the passing of Doc Waters. He will be missed by many. He surly had a Scouters heart.

“ Dr. Waters was one of the most intelligent men I have ever known. A kind and endearing man. I enjoyed the stories about Boy Scouts and his travels and campouts. Through his service, to our community for more than 27 years, as a Radiologist, he saved many lives. I am so fortunate to have known him.
