“ I remember we went to high school together you were always so sweet and genuine, I'm still in disbelief but I know you are at peace. Rest in Peace Duran

“ *Excellent at just about all things. Extra-extrovert. Extravagant. Exquisite. Can be interesting but also calculated and predictable. Protects their relationship like a cherished and rare gem.*” These are just a few traits of a person born to the sign of LEO-The LION. I knew Duran, for the last 12 years of his life. I know that he was a beautiful young Man, an Artist, Friend, Son, and Father. I will miss knowing him, and will keep his memory in mind and heart. Standing in for his Mother, who is waiting for Duran in Heaven.
