“ Liz has been a very good neighbor to my daughter , me and my grandsons. We will miss her. When my 11 year old grandson was 3 he thought she hated boys. She became friends with my three older grandsons as time passed and they got to know her through her dogs. Max my 9 year old helped her when she fell a few weeks ago and made sure she was ok and got into her house. She would take Harley on walks when she could and soon became a favorite of the neighborhood kids. She would stop and talk to them because Harley was friendly to everyone. We will miss her very much .
