“ I'm bill, Gayle's brother, on behalf of the family I'd like to thank the hospice folks for doing a job few want, and that poor usher who must have thought at one point he'd need a tazer. And thanks to all those people there that I didn't know who showed up to share and remember Gayle, we know she loved you all.

Take care sis and say hi to Buddy for me.

“ *I had Gayle as a teacher. She was a special person. I really do have her laugh in my memory. She and Zerlan touched my life.*
