He loved his trade, being a

craftsman, and he also loved fishing, spending many days on Lake Oologah with his friends and family. Farrell was an amazing man who put his family and friends before himself. He was a loving, loyal, and devoted man who will be missed greatly. "He never looked for praises; He was never one to boast He just went on quietly working for the one's he loved most. His dreams were seldom spoken, His wants were very few, And most of the time his worries went unspoken too. He was there, A firm foundation through all of our storms of life, A sturdy hand to hold onto in times of stress and strife. A true friend we could turn to when times were good or bad, One of our greatest blessings, Is the man we called Dad." Memorial services will be held December 5th, 10:00am, at Rejoice Church, 13413 East 106th Street North, Owasso, Ok, 74055. (918)272-5291 Private interment will follow memorial service. “ Farrell, you were such of an amazing man that words alone cannot describe. Your strong will, strong sense of self determination, your selfless acts of kindness and sacrifices towards others, your strong sense of work ethics and work related commitments, your unwavering loyalty, love and devotion to your family and friends, your gentle, kind and compassionate heart, your funny way of finding humor in most things, your strong will and determination to fight and survive, your unwavering love and devotion to Bobbie, your commitment as a dad and mentor to both Gary and Randy... you alone, set the bar very high for most men to follow. I am so very proud of you and all you managed to accomplish in your short lifetime. You are not only my brother, you will always be my "hero"!! I love you so very much and this life is but a journey and when this life is over, another journey begins. God speed and fly fast and high, with the love of your life at your side, far beyond the star's twilight until we meet again. Darla
