“ Dear Dorothy and family,
Always enjoyed Pastor Naumann's teaching and especially his dry wit and sense of humor. Heaven has just gained a great humble servant who will get people laughing in heaven, I am sure. Our class, CHS '70, enjoyed his 4 years of setving as our class sponsor some 55 years ago. Speaking for the members of our class, we want to express our sincere condolences to all the family but also rejoice with you that we will all see each other again in much better circumstances with our Savior. I know for a fact that all my classmates enjoyed his online chat with us a couple years ago at our 50th celebration. Also thankful for Fred and you sending copies of his autographed books to each of us. Such a special gift from him!
